

Manual Cleaner #6 (AFCO 3305)

GENERAL DESCRIPTION

Manual Cleaner #6 (AFCO 3305) is a superior granular mild alkaline manual cleaner for exterior cleaning of transportation equipment, as well as an all-purpose cleaner for dairies, poultry and meat plants.

AFCO 3305 is safe on paints and metals.

PHYSICAL PROPERTIES

Appearance	:	Off white powder
Odor	:	Negligible
pH (1% solution)	:	11.4
Foaming	:	High
Rinsing	:	Excellent
Emulsification	:	Excellent

DIRECTIONS FOR USE

AFCO 3305 is used at the rate of $\frac{1}{4}$ to 1.0 ounce per gallon (2 to 8mL/L) of water, depending on water hardness and the amount of soil to be removed. It is effective in cold water; however, the efficiency is enhanced with the use of hot water.

AFCO 3305 may be used by the brushing method and is especially effective in power spray equipment.

DANGER

Corrosive! Contact with undiluted product causes severe skin burns and serious eye damage. Consult the product's Safety Data Sheet (SDS) for complete safety information.
