Sanifect Foam-E II (AFCO 5508)

GENERAL DESCRIPTION

Sanifect Foam-E II (AFCO 5508) is a hand washing/hand sanitizing compound formulated for food processing, food service, and professional use only.

When used regularly, it eliminates or significantly reduces resident and transient microorganisms on bare hands which reduces the risk of cross contamination, hand-to-food and hand-to-equipment contamination.

AFCO 5508 does not contain any added fragrances.

PHYSICAL PROPERTIES

Appearance	:	Clear, colorless liquid
Odor	:	Slight to none
pH	:	5.6 to 6.3
Foaming	:	High
Viscosity, Kinematic	:	8 mm ² /s
Active Ingredients	:	1.0% Chloroxylenol

DIRECTIONS FOR USE

Wet hands with water; apply approximately one teaspoonful of AFCO 5508 to hands and massage well for 15 to 30 seconds to work into lather.

- Hands must be thoroughly rinsed with potable water.
- ✓ Dry hands completely.

SAFETY

Warning! Contact with this product causes serious eye irritation. Consult the product's Safety Data Sheet (SDS) for complete safety information.
