

Floor Guard FLC-82 (AFCO 8099)

GENERAL DESCRIPTION

Floor Guard FLC-82 (AFCO 8099) is an anti-slip floor treatment containing quaternary ammonium compounds. AFCO 8099 will effectively increase traction on wet and slippery floor surfaces as well minimize and absorb foul odors. Floor Guard is acceptable for use in all departments of poultry, fish, meat and general food processing plants.

PHYSICAL PROPERTIES

Appearance	:	White granular solid
Odor	:	Minimal
Density	:	Approx. 8.7 lbs./gallon

DIRECTIONS FOR USE

Apply AFCO 8099 in thin layers to floor surfaces either manually or through a spreader. An application ratio of 10 pounds of AFCO 8099 per 4000 ft.² will greatly decrease odors and prevent slips.

STORAGE

Store in a dry area in original sealed containers.

SAFETY

Avoid inhalation of dust. Causes skin irritation and serious eye irritation. Consult the product's Safety Data Sheet (SDS) for complete safety information.

NOTE

AFCO 8099 is U.S.D.A. acceptable for use in federally inspected meat, poultry and food processing plants.
